### Public Records Fee Schedule

ORS 192.324 permits a public agency to charge fees not to exceed its actual costs in making records available. This office will consider waiving or reducing our fees for any public records request that primarily benefits the general public. Records that require minimal expenditure of effort to locate and review may be provided at no charge. As to any other records, we will provide you with an estimate of the total costs per the fee schedule below and may require pre-payment of all, or a portion of, the fee prior to beginning work.

### Item Cost

- 128GB – \$30
- 256GB – \$35
- 512GB – \$40
- 1TB – \$50
- 2TB – \$100

Other..... Actual costs incurred

We will provide the documents in electronic format (flash drive) for the amounts listed above. To the extent that additional work is necessary to produce the records (including, but not limited to: locating specific documents, segregating exempt and non-exempt records, running database queries, attorney review of documents, or supervising in-person review of records) that time will be billed at the rates below, which are all rounded down from our true costs.

IT Staff ..... \$40.00 per hour
